Verse 1

(rhythm simile)

Esus

They say it's im - pos - sib - le to trav - el in time.

Esus

They proved that there's no chance, but I proved they're not right.

Esus

There're more than three di - mensions and I have found the key.

Esus

I gonna ex - plore the fut - ure. And you could be with me.

Chorus 1

1) Yeah, I'm run - nin' out of time, but the fut - ure will be mine.
 2) We don't need no mon - ey there, 'cause we could go an - y - where.

GΔ#11 GΔ#11

Would you like to come with me, hear the time - trip sym - pho - ny.
 And we could go an - y - when, and come back just now and then.
